9. A unique confirmation number will be generated. **RECORD YOUR CONFIRMATION NUMBER** and click “**Ok**”.

- For **BEAR, DEER, and TURKEY**, the confirmation number must be **written on the harvest tag** (which should still be attached to the harvested bear/deer/turkey).
- **The tag must remain on the carcass until the game is processed for food or taxidermy purposes.**
- For **FURBEARERS** (coyote, fox, fisher, beaver, and mink), the confirmation number must be written on a tag of your own making (piece of paper, cardboard tag, etc.)
- The tag must then be affixed to the pelt/carcass specifically for which it was used.
- **The tag must remain on the pelt or carcass of the furbearer until it is processed for taxidermy purposes or until the pelt is tanned or sold.**
